TERMS & CONDITIONS

CARE, WARRANTY & RETURNS

Every wheel is triple chrome plated for durability and a lasting shine. With proper care, your Player Wire Wheels keep their finish and structure for years.

CARE & MAINTENANCE

1. **Gentle cleaning:** use only Dawn dish soap with a soft, non-abrasive cloth. Never clean wheels while hot.
2. **Protection:** in coastal, winter or high-humidity areas, apply a light mist of WD-40 to clean, dry wheels before storage to help prevent rust and corrosion.

> **Proper care is required to keep warranty coverage. Harsh chemicals or improper cleaning void the finish warranty.**

RETURNS

Call for a Return Authorization (RA) number before shipping anything back.

1. Returns may be subject to a restocking fee
2. Items must be properly packed for safe return
3. Mounted wheels can't be returned

> **Test-fit every wheel before mounting. No returns on mounted wheels.**

1-YEAR LIMITED WARRANTY

From the original purchase date. Covers:

1. Defects in materials and workmanship
2. Repair or replacement at our discretion (may include reconditioned parts)
3. Chrome finish for 1 year, only if proper care has been maintained (custom finishes such as gold are excluded)

Not covered:

1. Damage from misuse, accidents, improper installation or unauthorized modifications
2. Altered wheels or wheels not in original condition
3. Incidental or consequential damages beyond the product itself

Proof of purchase is required for all warranty claims.
